TAPS/APPA/LPPC Comments

**Q: 38. If you have additional comments on the proposed revisions to the FM that you have not provided in your above responses, please provide them here:**

**A:** The American Public Power Association (APPA), The Large Public Power Council (LPPC), and the Transmission Access Policy Study Group (TAPS) all support the comments submitted by the Compliance and Certification Committee (CCC).

Nathan Mitchell, **On Behalf of:** American Public Power Association, , Segments 3, 4
